

REMARKS

Claims 1, 2, and 32 have been rejected under 35 U.S.C. § 103 as being unpatentable over JP 49-43688, JP 47-12533, GB 1003083, GB 1054436, and Konstantinova and Chen Yun. The Examiner indicated via telephone interview that claim 2 would be allowable if written in independent form. Applicants sincerely thank Examiner for her telephone assistance on this matter.

Applicants have cancelled claims 1, 2, and 32. Applicants have added new claim 33, based on original claim 2, to provide more clarity to the claimed subject matter. In view of the foregoing, Applicants believe that claim 33 is in condition for allowance and respectfully request such.

Applicants do not believe that any fee is due with this submission. If any fee must be paid in connection with this submission, please charge Deposit Account No. 14-0105. If this payment also requires a Petition, please construe this authorization to pay as the necessary Petition that is required to accompany the payment.

CONCLUSION

Applicants respectfully request that a Notice of Allowance be sent for all pending claims.

Respectfully Submitted,

\Josh\
